AGENDA CONTINUES ON PAGE 2

1. **Call to Order**, Advisory Board Roll Call, Code of Civility
2. **Opening Remarks** (Board Chair & Executive Director)
3. **Main Presentation** on COMMUNICATIONS. We'll discuss the challenges of communications, some tips on disaster readiness, expectations, and planning ahead.
4. **Special Guest**: We're delighted to host **Jennifer Lazo**, Emergency Management Coordinator II for the Los Angeles Emergency Management Department (EMD). Jennifer will discuss NotifyLA, how to sign up, the various options, and how it will be used in the event of a wildfire.
5. **Wildfire History**: This month, we'll focus on the 2003 Cedar Fire in San Diego. It killed 15 people, destroyed more than 2,000 homes, and ripped through more than 281,000 acres in December of 2003. Even though this fire occurred nearly 20 years ago, much of what was learned, and the challenges faced by residents and first responders hold true today when speaking about prevention and awareness.
6. **Hot Topics** More on our insurance efforts, some public safety fair information, and an update on how some of our Homeowner's Associations are doing relative to our efforts to assist them in becoming either a Firewise USA site or a Fire Safe Council.
7. **Future Schedule** of meeting objectives, special guests, and an update on becoming a California Fire Safe Council.
8. **General Public Comment** on matters within the Board's subject-matter jurisdiction (public comment only, no discussion) - Time permitting
9. **Adjournment**
