1. **Call to Order**, Advisory Board Roll Call, Code of Civility
2. **BRIEF OVERVIEW OF A WILDFIRE PROTECTION PLAN:** What is a Community Wildfire Protection Plan (CWPP)? Why does L.A. need another plan? Our team will briefly explain why this plan is being developed and what value it will bring to Los Angeles.
3. **LOS ANGELES WILDFIRE PROTECTION PLAN PUBLIC INPUT:** This upcoming town hall meeting aims to engage the community in a meaningful discussion about the pressing issue of wildfires in Los Angeles. We encourage all participants to come prepared to share their thoughts, experiences, and creative ideas for potential solutions. An exciting feature of this event will be an “open mic” segment, allowing attendees to voice their suggestions and feedback openly, fostering a collaborative environment for those eager to contribute to making our community safer from wildfire threats. It is important to note that the meeting will be recorded for future reference and accountability. Therefore, we kindly ask that you plan your contributions. Additionally, we emphasize the importance of maintaining a respectful and constructive atmosphere during discussions, as each voice plays a vital role in shaping our community’s approach to wildfire safety.
4. **INITIAL 2025 WILDFIRE OUTLOOK:** The danger of wildfires in Los Angeles is increasing. Are we facing another drought? What impact will this have on our overall wildfire risk? We will provide more information
