AGENDA CONTINUES ON PAGE 2

1. **Call to Order**, Advisory Board Roll Call, Code of Civility
2. **Opening Remarks:** (Board Chair & Executive Director)
3. **Update on Community Meetings and Board of Forestry:** David Barrett will provide a brief update on the multiple community meetings our team has been engaged in, from Altadena to the Pacific Palisades and in-between. We'll also discuss the upcoming Board of Forestry meeting in Southern California on April 23rd.
4. **Post Fire Soil Contamination:** We will share some important information related to the potential for hazardous materials impacting the soil under and surrounding impacted structures following a wildfire. If you're interested in this (important) topic, you can get a head start via this recent news story: <https://www.wildfirela.org/2026/03/27/what-lies-beneath-soil-contamination-concerns-grow-in-pacific-palisades-malibu-and-altadena/>
5. **Community Feedback and new Survey:** This is an important opportunity for you to bring forward the issues you're concerned about. There are multiple reports coming out related to evaluating what occurred last January in L.A., as well as significant issues related to infrastructure and readiness. MySafe:LA wants to get you good answers - and to do so, we want to hear from you. We'll open up the meeting to any questions you may have, and we'll also introduce a new survey.
6. **Wildfire Safety Fair:** MySafe:LA, in collaboration with State Senator **Ben Allen**, County Supervisor **Lindsay Horvath**, City Councilwoman **Traci Park**, the **Brentwood Homeowners' Association**, and the **LAFD**, is delighted to share that our next wildfire education and resource fair will take place on April 25, 2026, at the St. Martin of Tours School on Sunset Blvd. In West Los Angeles. **We'll feature important courses on home hardening, wildfire recovery, and how to get the most accurate 411 on wildfires.**
7. **Next Meeting:** Join us on **May 21, 2026**, to learn about the city "roadshow" for evacuation awareness and preparation. We'll be visiting communities throughout the greater Los Angeles area. Anyone who lives in the wildland urban intermix should be aware of these events, and how we're going to manage integrating the content into a citywide educational initiative..
8. **Adjournment**
