The MySafe:LA, the **Regional Fire Safe Council for Los Angeles County**, will host a virtual meeting on wildfire preparedness on **May 21, 2026**, starting at **7:00 PM** (Pacific Time) and concluding around 8:30 PM (Pacific Time). The Wildfire Advisory Board will lead the meeting, and the public is invited to attend.

Participants who would like to ask questions can use the "Raise Hand" feature on Zoom. Public comments are limited to two minutes per person, and the total public comment period will not exceed 15 minutes. If you are participating by phone, you can activate the "Raise Hand" option by dialing *9.

Please remember to *keep your microphones muted* unless you are called upon to speak. For questions about the May 21, 2026, meeting or information about future meetings, please visit www.mysafela.org/wildfire/ or email us at info@mysafela.org. For questions regarding future meetings, please visit: www.mysafela.org/wildfire/ or email us at: victoria.garcia@mysafela.org

AGENDA CONTINUES ON PAGE 2

1. **Call to Order**, Advisory Board Roll Call, Code of Civility
2. **Opening Remarks:** (Board Chair & Executive Director)
3. **Update on NFPA Firewise Activities:** Executive Director David Barrett met with Michele Steinberg, the NFPA director for Wildfire, to discuss important core objectives related to the NFPA Firewise initiative.
4. **UCLA Sustainability Update on Recovery and Resilience:** Don't miss the opportunity to learn from Nurit Katz, the Chief Sustainability Officer UCLA. Her expertise, in addition to bringing groups of experts together on topics that relate to issues including the recent wildfires is to break down complex issues into more easily understood terms and potential solutions. This will be an interesting presentation and interactive question and answer session.
5. **Learn about new geophysical Artificial Intelligence (AI) for Wildfires:** Discover a new product that could have a significant impact on wildfire response. *FireScore* is being built to help fire departments and communities identify and prioritize parcel-level wildfire risk, evaluate structure-adjacent conditions/risks, and support firefighter-augmented decision-making before a fire starts. Founder Alex Momand will discuss the evolution of the product, how recent demonstrations in Los Angeles have been received, and what the future holds for this potentially important technology.
6. **Wildfire Day L.A.** MySafe:LA, in collaboration with a strong group of partners, is excited to announce "Wildfire Day L.A." at the Autry Museum of the West. The day will begin with a free pancake breakfast and will feature a wide array of fun activities for children of all ages. Children will receive free fire safety books, a fire station bounce house, face painting, and fire safety activities. There will also be educational courses for parents and other adults. Our partners include CD-4, the Los Angeles City Fire Department, the Hollywood Hills Fire Safe Council, and over 20 experts in wildfire mitigation and resilience.
7. **Next Meeting:** Join us on **June 18, 2026**, for the latest on Zone 0, Recovery opportunities, free home wildfire assessments, new grant opportunities, and much more.
8. **Adjournment**

MySafe:LA Information for the Public

MySafe:LA, as a covered entity under the Americans with Disabilities Act, does not discriminate on the basis of disability. We provide reasonable accommodations, such as sign language interpreters and assistive listening devices, upon request.
